Hey Julie – I wanted to close the loop with you and let you know that Rich followed up with Tristan today. Let me know if you have any questions or concerns.  
Thanks,  
Rob

Tristan—thanks for your email to EPA earlier regarding the CFAC news. The closure of the plant does not change EPA's focus on working with the state, the local community, and the site owners to fully assess the site and take cleanup actions that are necessary to protect human health and the environment.
